

CrossVision News & Updates November 2004

2 Chronicles 7:14

If my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sins and will heal their land.

I have been a student of prayer for many years know but I honestly believe I have only just began to understand prayer. This past weekend I had the benefit and privilege of sitting under the teaching of T.W. Hunt, The Author of The Mind of Christ. It became evident to me God had controlled my circumstances and drawn me to this seminar, rather then going deer hunting on opening weekend, because he had allot to teach me about my need to pray and spend more time with God. Many of us I included prayed for the elections to go Gods way, and we are now realizing how critical those prayers were. James Dobson and Focus on the Family, are now being bombarded by the national media wanting to know, what is this American morality all about? The United States is a divided nation and one half do not consider the things of God to be relative to the Nation but only relative to individuals on a personal preference basis. Another words they equal spiritual beliefs to sexual preference. Dr T.W. Hunt is calling all Christian who care about the future of Nation and the roll it will play in the coming of Christ to join him in praying that God will make this Nation (The United States) an island of Righteousness. I have committed to join him and I am asking you, my short term missionary family, to join with us and pray for Gods people who call themselves Christians will HUMBLE themselves and PRAY, SEEK GOD, and TURN FROM SIN. If we will I can promise Gods promise to heal these United States will be our reward and His victory.

CrossVision continues to pray for all of you and each of your churches may God guide you in His will and grant you wisdom.

Please Pray *For Pastor Jeronimo, of the Tajumulco Mam people in NW Guatemala and a true saint who has recently taken a stand against those who want him and everyone in the area to worship the day of the idles. His stand has caused others to join him and will certainly bring great persecution his way. He and those standing with him need us to pray for him.

*Pray for the CrossVisions Christmas mission trip into Acuna Mexico December 27-31.

*Pray for Thomas Ivey as he and Gateway Baptist plan a Christmas trip to Nava Mexico

*Pray for God to continue to choose to use CrossVision Mission Ministry. This year has taught us so much and we have seen several hundred come to know Christ as their Lord and become involved in bible studies.

*Pray for those Pastors and Missionaries in Mexico who right now are disciplining those who have received Christ
