

## CrossVision October 2004 Update

*I Thank Christ Jesus our Lord, who has given me strength, that he considered me faithful, appointing me to his service. (1 Timothy 1: 12)*

Ten 16 -18 hour October days in Nuevo Laredo, ninety seven degree highs, dusty roads, a sudden torrential rain storm, fifteen first timers, three left behind team members, dodging flaming arrows from the devil, sharing the Gospel, loving the people of Mexico and Laredo, seeing God open countless doors and save well over seventy souls with two great team leaders and my brothers and sisters from St Andrews Baptist of Panama City, Florida, **it doesn't get much better then that.**

*It never fails to thrill and amaze me when Gods children take time to spiritually prepare and get right with him He reveals himself in everything they do. We want to be a blessing to others and act in obedience; we give ourselves to him and he one by one He chooses each for a special task. At the end of the day we find, with out exception, we are far more blessed then we are able to bless. This trip held so many testimonies I will spend years sharing them.*

*I must share one special moment with all of you who pray for us often. Many of you know one of our prayer warriors and faithful supporters and a very close personal friend of mine (Maribelle Wilson) recently went on home to be with our Lord. We are still praying David, Meredith and Daniel through this difficult time and they were heavy on our heart during this trip. God is so kind and sensitive to our needs. We visited an orphanage (casa jogar Duglas) where some twenty four children live. We sang and played with the children, Ray read a bible story and a message of hope, we broke out the cookies and cool aid and began blowing bubbles. One small girl maybe five or six years old seemed very shy and kept her distance, but Oldan gained her friendship and began to show her how to blow bubbles. She soon wanted Dan to blow the bubbles while she did the popping. I took a couple of pictures of them and handed the camera back to Dan. He in turn handed me her coloring book on which she had scribbled her name **MARIBEL**. God is so good.*

### **Prayer Request:**

**\*Don't forget to Pray for our missionaries today and every day and please include a Thank You for our CrossVision partners in Mexico. They are right now conducting follow up visits to those who accepted Christ as lord, enrolling them in bible studies and drawing them into fellowship with their Churches.**

**\*Please Pray for CV as we prepare for our annual Christmas trip to Acuna, MX. as well as our Team Leader Training taking place Oct 30th 8:am until 2:pm**

**\*We have many needs to meet before years end Please pray about how God might use you in supporting this ministry. If you wish to send a tax deductible donation please mail that to CrossVision at P.O. Box 132982 Tyler, TX 75713.**

**\*For those Floridians who so graciously poured out financial blessing on Anabel, Pastor Alba and his family and Church I hope you will never forget that meal at Alba's house and Mrs Alba screaming MORE CHICKEN. Did God not show us the truth of Jesus words in that " it is more blessed to give than to receive" (Act 20:35)**
