

# CROSSVISION MISSIONS

## JUNE/JULY UPDATE

**“COMMIT YOUR WAY TO THE LORD, TRUST ALSO IN HIM AND HE SHALL BRING IT TO PASS.” (PSALMS 37:5)**

How many of you have learned that God often gives you a view from a distance of His work and then begins the process of making what you have seen in your heart's eye a reality? In 1998 when God first gave a small group of four men the vision of a ministry to assist churches in fulfilling the Great Commission, none of us realized where this would take us or the difficulties that we would encounter. More importantly, we did not understand the blessings that following the vision would bring. Whenever Satan tempts us to give up on the vision, we run back to this promise found in the book of Psalms.

While God has blessed in many ways over the past month, I just want to share one testimony of how God has worked in one family and their church. This testimony is one example of how God has made the vision he gave CrossVision a reality, and it has been my joy to watch Him work in the same way in many, many lives. This past Christmas Larry and Christie Johnson and their children, Clint and Lana, came on their very first mission trip. I remember how afraid they were the first time I spoke with them. Their son wanted to go with his best friend, and because this was a family oriented trip God used that ministry focus to draw the whole family onto the mission field together. Little did they know that their first opportunity to share Christ and the gospel would forever change their relationship with our Lord. While witnessing door to door they met seventy five year old grandmother, Victoria. As they shared the gospel through the evangecube and the translator, God's work of saving souls and using obedient servants like themselves was made perfectly clear. Victoria's prayer to receive Christ into her life would cause a spark in the heart of the Johnson's that would grow into a flaming fire and a passion to see their church begin to go on mission with God.

Upon their return home they immediately began laying the ground work for a future mission trip. A few weeks ago they were again on mission—this time in a different location doing a completely different type of work. On this trip God gave them a greater understanding of how He loves the church, and Victoria was heavy on their hearts. They felt compelled to visit her and find out how she had progressed, so they made the one hour drive and surprised Victoria with a visit. Victoria was elated and began to share all that God had done for her. The Johnson's had given her a CD player and an Evangecube, and she had used it to lead many of her family to the Lord. Primera Iglesia Bautista in Piedras Negras had indeed followed up with her and she and her family had joined the church mission not far from her home. Wow! What a demonstration of the reality of the vision, “The kingdom **IS** built in the streets by those who are willing to leave the palace!”

“We are moving forward on our knees”
